Organizer:

Morocco Dental Expo is an opportunity to develop your network of relationships and learn about the latest technologies in the sector in a professional setting.

At the **MOROCCO DENTAL EXPO**, the commercial aspect is accompanied by a scientific component through events organised during the exhibition: symposia, congresses, conferences and practical demonstrations.

During the previous edition, more than 4,500 professional visitors adorned the aisles of the show, thus contributing to maintaining its position as regional leader in the sector.

DENTAL TRIBUNE :

(A FORUM FOR THE DEVELOPMENT OF THE AFRICAN ORAL HEALTH SECTOR)

In order to support the efforts of companies to develop the oral health sector in Africa and to improve the health situation, ATELIER VITA, delegated organiser of the largest oral health exhibition in Africa, will organise the **DENTAL TRIBUNE** from 18 to 20 May 2023 at **the MOHAMMED VI Exhibition Centre**.

This programme will bring together all the key players in the development of the oral health sector in Africa.

The programme of the three days: debates and exchanges will deal with different themes related to government policies and strategies, mechanisms to improve the functioning of the sector, the enhancement of the role of the public-private partnership and the contribution of technological innovations.
